

## AW2 Transportation

### Making the difference in your supply chain

AW2 Transportation is a service division of the Ace World Wide Group of Companies. We provide local, regional and nationwide solutions utilizing company drivers and our high-quality network of transportation service partners to gain maximum flexibility. Our number one focus is to deliver the best service cost solution, regardless of whom we choose as our service partner, to successfully deliver on agreed promises!

AW2 Transportation can handle any mode, size or weight of shipment throughout North America. Our experienced fleet of nationwide drivers and partners allow us to provide reliable and consistent on-time service performance at competitive costs.

AW2's flexible services allow us to quickly execute upon an agreed plan to assure the overall success of your supply chain requirements. Our dedicated transportation experts will oversee your shipment every step of the way providing full transparency of your freight through the entire process until the shipment is successfully delivered to your full satisfaction.

*The services available with AW2 Transportation include the following nationwide services:*

LTL  
Truckload  
Cartage  
Final Mile  
White Glove  
Air & Ocean  
Flatbed  
Specialize Freight Hauler

AW2 Transportation, including our Warehouse, Distribution and Fulfillment services is fully equipped to become your "one-stop shop" supply chain solutions provider. AW2 is a division of Ace Worldwide Group of Companies, with company-owned facilities in 9 strategic domestic markets and access to 400 + additional distribution/last mile points both globally and across the U.S. We have the nationwide resources, team and experience to handle your transportation, warehouse, distribution and fulfillment requirements.
